

Appendix A: Community Survey Results

An online survey was distributed from July to September 2020 in order to gather input from those working in, living in, and travelling through Hoboken. The survey asked respondents about their travel behaviors, their perceptions of transportation safety, and for their qualitative assessments of the traffic safety issues facing Hoboken. Survey questions, and summaries of responses, are outlined here.

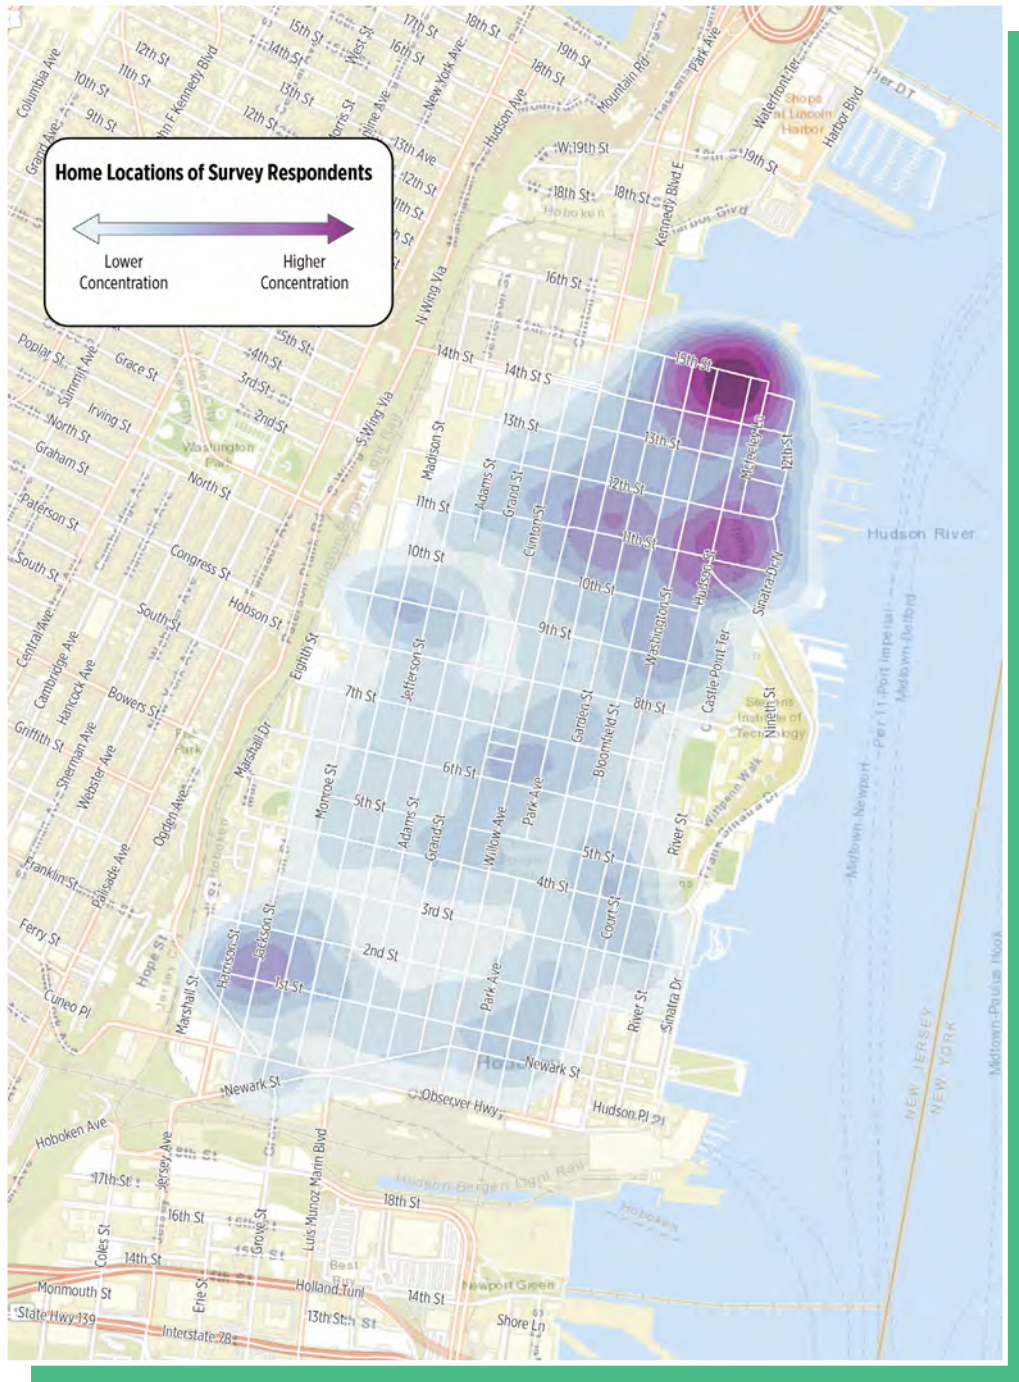

1. Do you live and/or work in Hoboken?

10. Why do you travel to Hoboken and how do you get there? Please tell us how you usually get to destinations within Hoboken such as:

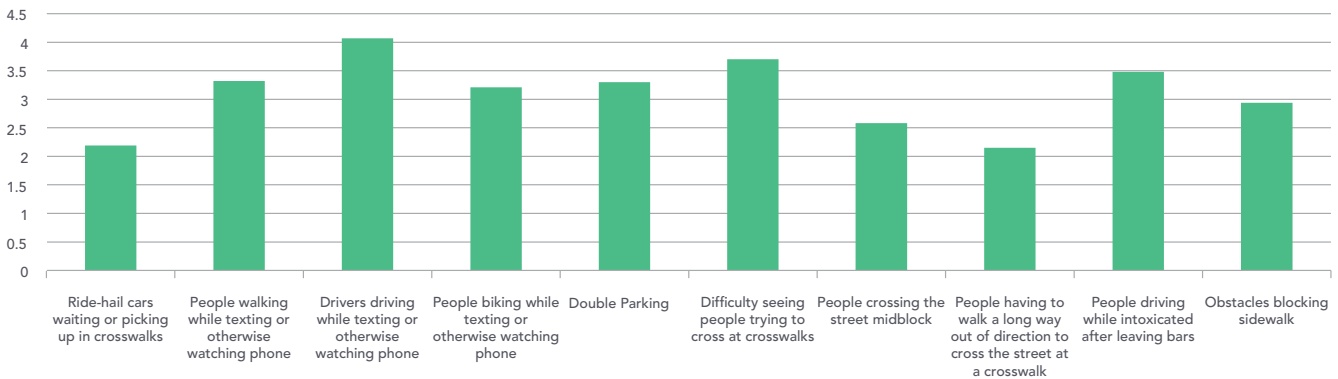

Questions 2 through 9 were used to anonymously ascertain the home and work locations of survey respondents. The map below indicates that survey respondents home locations are particularly concentrated in northeast Hoboken.

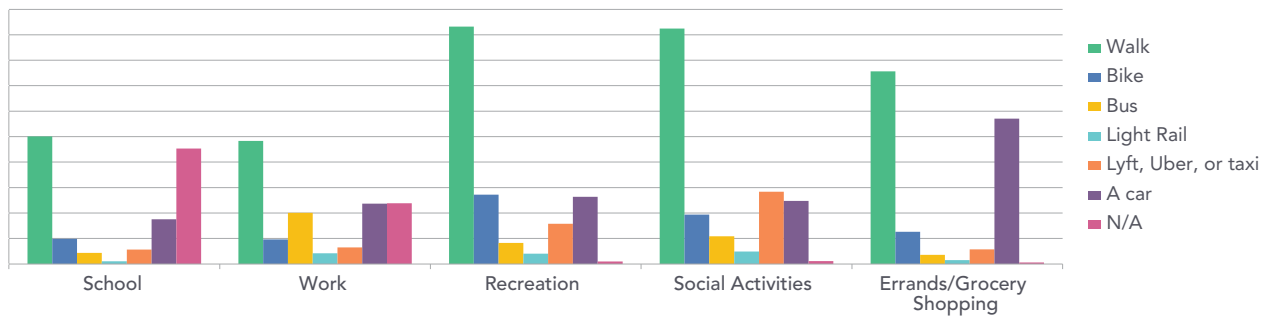

11. How often do you come to Hoboken?

12. Which of the following are a traffic safety concern in Hoboken? (Where 1 is a minor concern and 5 is a major concern).

13. How do you usually get around in Hoboken? Please tell us how you usually get to destinations within Hoboken such as:

14. What is your age?
